

Greetings!

My name is Megan Rzezutko, mom to Charlie, a 2nd grader at Cabot, and Hannah, a pre-K student. I am excited to be running for the wonderful program that is CASP! I'm committed to supporting high-quality programs that benefit our children and community.

CASP is a fantastic program that provides countless benefits to our community, and I am eager to contribute in any way that I can. As a small business owner, I bring a range of relevant experience to the table, including financial management, strategic planning, change management and more. In my previous roles in investments and management consulting, I gained invaluable insights and skills that will be useful in this context.

But perhaps most importantly, I bring a positive attitude and a collaborative, growth-oriented mindset. Thank you for your consideration! I hope to have the opportunity to serve the Cabot community as a member of the CASP board.

Best regards,
Megan
