CASP GRADES K-2 PRESENTS…

A TUESDAY CLUB! $35 Participation Fee

1-3pm October 1st -December 10th

Performance @ 5pm December 10th

Hello CASP Families! Each year CASP provides a performance opportunity for Tuesday students, grades K-2! This year's musical will be "The Lion King Experience, Kids"! It is a 30 minute adaptation of the beloved story specifically tailored to the ability of young performers. Students who sign up to perform will rehearse during **Tuesday Club Time, 1-3pm**. We will begin on October 1st, and meet each week through December 10th. Our performance for family and friends will take place at **5pm on December 10th**. The participation cost will be **$35 per family** and will help to support show expenses such as costumes, sound rentals, and musicians. No child will be excluded due to financial hardship. Contact the CASP office if you need assistance.

This is a fun and safe way to introduce young students to the world of theatre! Students will receive scripts, although they do not need to know how to read to participate. We will be learning the importance of working together, the power of repetition, and gaining self-confidence through performance. We will spend each week singing together, rehearsing lines and choreography, and playing improvisation games! Our final performance will include costumes, scenery, and live musicians! It is a memorable event, so invite family and friends!

Please sign and return the attached "Commitment Slip" with your **$35 participation fee** (only one per family even if you have more than one child). We ask that parents look at the rehearsal and performance schedule to be sure that students will be present. List any known conflicts with the rehearsal schedule and please refrain from scheduling new ones as rehearsal is an important part of allowing students to feel prepared. **Commitment Slip may be placed in CASP mailbox by Tuesday, September 24th.**

Hope to see your rising stars on the stage!!!

**This performance is made possible through special arrangement with MTI International.
